Nexus Technologies - Corporate Purchase Approval & Delegation Matrix

Nexus Technologies - Corporate Purchase Approval & Delegation Matrix

SECTION 1: PURPOSE AND APPLICABILITY

This policy sets forth the mandatory delegation of authority limits for entering into financial commitments, purchase orders, vendor agreements, and capital expenditures (CapEx) on behalf of Nexus Technologies.

SECTION 2: DELEGATION OF AUTHORITY (DOA) THRESHOLDS

All procurement orders in Coupa must adhere to the following sign-off approval matrix:

- Tier 1: Up to $1,000 USD requires Direct Manager approval.

- Tier 2: $1,001 to $10,000 USD requires Department Director approval.

- Tier 3: $10,001 to $50,000 USD requires Department Vice President AND Finance Controller approval.

- Tier 4: $50,001 to $250,000 USD requires Chief Financial Officer (CFO) approval.

- Tier 5: Above $250,000 USD requires Chief Executive Officer (CEO) AND Board of Directors Audit Committee approval.

SECTION 3: COMPETITIVE BIDDING AND RFP REQUIREMENTS

Any vendor contract or technology commitment exceeding $50,000 USD in aggregate annual value must undergo a competitive Request for Proposal (RFP) process with a minimum of three qualified vendor proposals. Sole-source procurement exceptions must be justified in writing and approved by the CFO.

SECTION 4: SPLITTING PURCHASES PROHIBITION

Structuring or splitting purchase orders into smaller denominations to bypass approval thresholds is strictly prohibited and constitutes an ethical violation subject to disciplinary action.
