Nexus Technologies - Corporate Legal Compliance Policy

SECTION 1: COMPLIANCE OVERSIGHT STRUCTURE

The Legal Compliance Committee, chaired by the General Counsel, oversees enterprise adherence to all domestic and international legal obligations. The Committee reports quarterly to the Board of Directors Audit Committee on regulatory posture, ongoing audits, and compliance risk assessments.

SECTION 2: ANTITRUST AND FAIR COMPETITION

Nexus strictly complies with the Sherman Act, Clayton Act, and international competition laws. Employees must never discuss pricing, customer allocation, market division, or employee compensation with competitors. Attending industry conferences requires strict adherence to published agendas.

SECTION 3: SANCTIONS SCREENING & EXPORT CONTROLS

Nexus products, APIs, and cloud services are subject to US Export Administration Regulations (EAR) and Department of Treasury Office of Foreign Assets Control (OFAC) sanctions. Customers, vendors, and partners must undergo automated screening against SDN and consolidated denied-parties lists prior to transaction authorization.

SECTION 4: WHISTLEBLOWER PROTECTION & NON-RETALIATION

Employees may report legal or compliance violations anonymously through the EthicsPoint portal or hotline (1-800-461-9330). Nexus enforces an absolute zero-tolerance policy against retaliation against any individual who raises a concern in good faith.
