Nexus Technologies - Master Vendor and Supplier Services Agreement

Nexus Technologies - Master Vendor and Supplier Services Agreement

SECTION 1: ENGAGEMENT AND DELIVERABLES ACCEPTANCE

Vendor agrees to provide services and deliverables described in applicable Statements of Work (SOW). Nexus shall have ten (10) business days from delivery to evaluate and test deliverables. If deliverables fail to meet agreed specifications, Nexus may reject them and Vendor must remediate within five (5) business days at no additional cost.

SECTION 2: SUPPLIER SECURITY & COMPLIANCE MANDATE

Vendor warrants that it maintains rigorous information security controls conforming to SOC 2 Type II or ISO/IEC 27001 standards. If Vendor processes Nexus data, it must encrypt data in transit (TLS 1.3) and at rest (AES-256) and immediately notify Nexus within 24 hours of any suspected security incident.

SECTION 3: PAYMENT TERMS AND INVOICING

Vendor invoices must reference an active Nexus Purchase Order (PO). Invoices are payable under Net-45 terms following formal acceptance of deliverables. Invoices without valid PO numbers will be rejected.

SECTION 4: INSURANCE REQUIREMENTS

Vendor must maintain Commercial General Liability insurance of at least $2,000,000 per occurrence, Workers' Compensation in compliance with statutory minimums, and Cyber Liability insurance of at least $5,000,000 per occurrence naming Nexus as an additional insured.
