Nexus Technologies - Client Professional Services Agreement

Nexus Technologies - Client Professional Services Agreement

SECTION 1: STATEMENTS OF WORK (SOW) & PROFESSIONAL SERVICES

Nexus will provide technical implementation, custom integration, and training services as described in executed Statements of Work (SOW). Each SOW specifies scope, timeline, milestones, personnel assignments, and deliverable acceptance criteria.

SECTION 2: BILLING RATES AND EXPENSES

Unless a fixed-fee milestone schedule is specified in an SOW, professional services are billed on a Time & Materials (T&M) basis at the standard enterprise blended rate of $240.00 USD per hour. Reimbursable client travel expenses must be pre-approved in writing by the Client Project Sponsor.

SECTION 3: CLIENT RESPONSIBILITIES & PROJECT DEPENDENCIES

Timely delivery depends upon Client providing timely access to technical facilities, test data, and technical personnel. Delays caused by Client dependencies exceeding 5 business days will result in an equitable timeline adjustment and potential remobilization fees.

SECTION 4: CHANGE MANAGEMENT PROCEDURE

Any modification to project scope or deliverables must be documented in a written Change Order signed by both authorized project managers prior to initiating additional work.
